

BROODMARE OF THE YEAR

Criteria:

Broodmare of the Year award will be given to a mare producing an offspring that was conceived in Kentucky, foaled in Kentucky and a Grade 1 stakes winner in the award year. Consideration is also given to the quality of the mare's produce in previous years. (Number of Graded and non-Graded stakes winners and their earnings.) A broodmare, which has previously won Broodmare of the Year, may only be considered for nomination if a different offspring qualifies the broodmare for nomination.
